

# IEEE hallgató csatlakozása

IEEE ÓE Student Branch

**Készítette:**

Kósi Krisztián

IEEE ÓE Student Branch vezetője

1. Látogass el a : <http://www.ieee.org/renew> weboldalra.

2. Ott válaszd:

Renew Now gombot

## Renew Your Membership

Renew your IEEE membership below to continue developing your career, accessing essential networking opportunities, and receiving other exclusive IEEE benefits.

**All members who renew their IEEE membership by 30 April will be entered to win one of ten Apple iPad mini tablets<sup>1</sup>!**

**As of April 2012, a change in username and password is required of all members prior to initiating renewal.** This requirement is independent of the [recent security incident](#). If you have already renewed your membership and were not contacted about this security incident, no further action is required.

**Renew Now**

3. Ezután jelentkez be.

The screenshot shows the IEEE membership renewal page. At the top, the IEEE logo is displayed with the tagline "Advancing Technology for Humanity". Below the logo, there is a navigation bar with links: "About IEEE", "Membership & Services", "Societies & Communities", "Publications & Standards", "Conferences & Events", "Education & Careers", and "Contact & Support | Sitemap". A search bar is located on the left side of the page. The main heading is "Sign in to continue membership renewal". Below this heading, there is a sign-in form with two input fields: "Username:" and "Password:". A red circle highlights the sign-in form. Below the password field, there is a link: "Forgot username or password". To the right of the sign-in form, there is a section titled "Create an IEEE Account" with a "Create account" button. Below this section, there is a box titled "Don't have an IEEE Account yet?" which lists benefits of having an account: "sign in to various IEEE sites with a single account; manage your membership; get member discounts; personalize your experience; manage your profile and order history." At the bottom of the page, there is a footer with the IEEE logo and the tagline "Advancing Technology for Humanity", and a copyright notice: "© Copyright 2013 IEEE - All rights reserved. A not-for-profit organization, IEEE".

#### 4. Updat-eled az account-odat.

### Update your existing IEEE Account

IEEE is updating its user accounts for greater convenience and security. Going forward, the username for all IEEE Accounts will now be an e-mail address.

**\* Required field**

#### Add or confirm e-mail address (your new username)

Choose an existing e-mail address or add a new one:

**\* Password:**

Password Strength

**\* Confirm password:**

Passwords must be between 8 and 20 characters, and include at least one number. [More...](#)

#### Set security questions:

Answers are not case sensitive.

**\* Security question 1:**

What is your mother's maiden name?

**\* Type your answer:**

**\* Security question 2:**

Select

**\* Type your answer:**

#### 5. Kiválasztod, hogy mit szeretnél

### Do you want to add any memberships or subscriptions?

Choose a society, council, or special interest group below to view related memberships and subscriptions. These offerings are available at significant discount, and increase the relevance and value of your membership. (You may add memberships or subscriptions at any time.)

All memberships and subscriptions	Featured selections	
IEEE Membership	Electromagnetic Compatibility	Professional Communication
IEEE-USA Consultant	Electron Devices	Reliability
Standards Association	Engineering in Medicine and Biology	Robotics and Automation
Women in Engineering	Geoscience and Remote Sensing	Signal Processing
<b>Societies</b>	Industrial Electronics	Society on Social Implications of Technology
Aerospace and Electronic Systems	Industry Applications	Solid-State Circuits
Antennas and Propagation	Information Theory	Systems, Man, and Cybernetics
Broadcast Technology	Instrumentation and Measurement	Ultrasonics, Ferroelectrics, and Frequency Control
Circuits and Systems	Intelligent Transportation Systems	Vehicular Technology
Communications	Magnetics	
Components, Packaging, and Manufacturing Technology	Microwave Theory and Techniques	<b>Councils</b>
Computational Intelligence	Nuclear and Plasma Sciences	Biometrics
Computer	Oceanic Engineering	Electronic Design Automation
Consumer Electronics	Photonics	Nanotechnology
Control Systems	Power Electronics	Sensors
Dielectrics and Electrical Insulation	Power and Energy	Superconductivity
Education	Product Safety Engineering	Systems
		Technology Management
